BARTON LECTURES WILL BE INTERESTING

To People Interested in
Physical Culture.

Lecturer is One of the Greatest
Known Exponents of Physical
Training.

Mr. D. M. Barton who will lecture here at the Y. M. C. A. next Thursday and Friday evenings, is one of the greatest exponents of scientific physical training in America, trained in the work since childhood, possessing a thorough knowledge of anatomy, physiology, hygiene and having a magnificently developed physique, he is able to demonstrate in a wonderfully effective way his theory.

The first part of Barton's lecture is an extremely interesting address for men, women and children.

In the second part, Mr. Barton is seen in his cabinet dressed in athletic attire. It is in this cabinet with its artistic light effects, where he gives so many of his fine practical demonstrations. A medical student has opportunity of studying the action of a muscle when he is dissecting, but it is not often that the public in general see a living muscle at work, hence the frequent burst of applause. Mr. Barton illustrates work that can be done by the girl or boy of ten, all the way up to the man and woman of seventy.

The third part is a practical illustration of the best hints in diet, sleep, air, exercises and bathing. This will be followed by twenty minutes devoted to answering questions.

ANNUAL DISTRICT CONVENTION HOLDS INTERESTING SESSION

Shelby Gets the Next Convention—Officers for Ensuing Year Elected Wednesday Morning—Delegates are Present From Each of the Six Counties in the District—Prominent Missionary Workers Take Active Part in the Excellent Programs Rendered at the Various Sessions—Officers Make Annual Reports.

There was an exceedingly large attendance at the Tuesday afternoon session of the annual convention of the Christian Board of Missions of the sixth district, which opened session at the Central Christian church Tuesday morning. Each of the six counties, Marion, Richland, Ashland, Crawford, Huron and Morrow, composing the district, were well represented and practically all of the delegates entered enthusiastically into the discussions.

The program opened at 2 o'clock with special music which was led by Mrs. Dell Zeigler, of Shenandoah, Ohio. Following short devotional services, Mrs. S. Thornberry, of Mansfield, district president, delivered her annual address. She reviewed the work accomplished in the district during the past year and spoke glowing words of praise for the officers and active workers. Mrs. S. J. Binger, of Mansfield, secretary of the district submitted the annual report which showed everything in excellent standing. An interesting mission paper on "Jamaica and Its Industrial Schools," was read by Mrs. W. J. Tappin, of Mansfield.

A thorough discussion of the condition of missionary affairs in South America was made by Mrs. L. L. Jones, of North Fairfield, Ohio. Her subject was "Our Higher Station in South America." "New Mountain Schools and Our Kentucky Schools" was the subject of an interesting talk by Miss Amanda Decker, of Marion. Mrs. E. N. Harnout, of Ashland, discussed the topic, "Mexico: The Establishment of a Mission at Mexico City." "Calcutta, India, as a Missionary Field" was the subject from which Mrs. B. C. Platt, of this city, derived some interesting thoughts. Mrs. Sarah Klippert, of Mansfield, discussed, "What Our Junior Society Has Done in a Missionary Way."

Miss Ella Nadduck, a returned missionary from India, was present and interested all with her stories of the torrid lands and the people. The afternoon program was concluded with an address by the state secretary, Miss Mary Lyons. She spoke in behalf of the advancement of the missionary cause. Following a special musical selection by the choir, adjournment was called.

TUESDAY EVENING.

The evening session opened with devotional exercises conducted by Rev. Mr. Carter, pastor of the First Christian church. The church choir rendered several special selections.

The principal number of the evening program was an address by Rev. O. L. Cook, of Lexington, Kentucky, who spoke at length on the subject, "The Church at Work." He de-

scribed in a general way the great advancement of church work in the past century. He spoke of the church's power as being unlimited and called attention to the out-reaching arms of the American Protestant churches, which are extending their work into almost every country in the world.

State secretary, Miss Mary Lyons, gave a short address in which she urged all to spend more time in pushing the mission work. The program closed with an anthem by the choir.

WEDNESDAY MORNING.

The session was opened at 9 o'clock with devotional exercises led by Rev. B. C. Platt. A business meeting was then conducted and the officers for next year were elected with the following results: J. L. Deming, of Norwalk, was elected president; B. F. Morse, of Shenandoah, vice president; C. A. Pearce, of Ashland, secretary; Miss Esta Will, of Mansfield, Christian Endeavor superintendent.

The committees on recommendations, etc., also reported. A special vote of thanks was extended to the local church entertaining the convention and a number of resolutions pertaining to the future welfare of the district were adopted. It was determined to hold the next annual convention at Shelby, Ohio, one year from date.

The principal address of this session was delivered by Rev. C. C. Wilson, an able young orator from Shelby, Ohio. His theme, "Jesus the Great Teacher," was closely followed and furnished the subject matter for a highly interesting talk.

Rev. Mr. Wilson devoted his talk into five parts. First, he declared Jesus superior to any man ever living on earth. Secondly, he spoke of the secret of His power. He was not a chieftain, not a great orator, author, not a famous pulpiteer, but his greatness was due to his power as a teacher. In the third place he spoke of the elements of His greatness as a teacher, referring in detail to His methods, illustrations and direct. Fourthly, he declared that He lived what He taught and fifthly, His motive power was love.

W. B. Slater, of Greenwich, Ohio, gave an interesting twenty-minute talk on the subject, "Every Teacher Trained." J. M. Cope, of Mansfield, talked on "The Graded School and Promotion." The program was concluded with an address by W. P. S. Murray, of Lucas, Ohio, who talked on the theme, "How Best to Cultivate the Spirit of Giving."

The principal address of the afternoon session was delivered by Rev. H. Newton Miller, of Cleveland, who talked on "Evangelism in Ohio." The final session of the convention will be held this evening.

CHURCH SOCIETY HOLDS MEETING

Considerable Important
Business is Transacted

Big Reception and Banquet will be
Held on the Evening of
October 14.

The Y. P. A. of Calvary Evangelical church met in regular business session at the home of David Martin on East Center street last evening. Aside from transacting the regular monthly business, arrangements were made for a big reception to be given at the church and Y. M. C. A. gymnasium on Tuesday evening, October 15.

It was decided to invite the Association of Upper Sandusky to the reception. The guests will be received at the church, where a short devotional program will be conducted. Afterwards the guests will assemble in the Y. M. C. A. gym, where a banquet will be served. A number of committees were appointed to perfect arrangements for the event.

Police Looking for Garbage Collectors Who Dump Refuse in the City Quarries.

Paul Cremar, the Hungarian who prepared to kill himself, Monday night and then lacked the nerve when the crucial moment came, was released from the city prison last night. Cremar had sobered up and promised the police that he would stay away from the booze in the future. He was crazed as a result of a protracted spree at the time he planned to die by his own hand.

The police have been notified that a number of garbage men have been in the habit lately of dumping garbage and other refuse into the city quarries in the north end instead of transporting it to the disposal plant. The offenders will be given the limit in fines if they can be apprehended.

John Borland, who pleaded not guilty to a charge of drunkenness in the mayor's court yesterday morning was given a hearing last night. Before the time set for the hearing he admitted his guilt and changed his plea. The mayor fined Borland \$5.

Charles Frances, a drunk, was arrested last night by Officer Bell. He was fined \$5 and released after his hearing this morning.

Under Bond.

Marvin L. Aller, the LaRue man recently arrested for non support and bound over to the grand jury on a \$300 bond, is to be given another hearing. Aller is now in the county jail.

Wednesday morning, Aller, through his attorney, John C. McNally, filed an application for a re-examination, the statutes providing that this may be done. Notices have been filed with the county clerk, sheriff and probate judge, and it has been arranged to have Aller appear before Probate Judge Foster at 2 o'clock, Saturday afternoon.

BUCKEYE STATE MOST PROMINENT

In the Great Baseball Struggles of 1907.

Present Season Has Been a Banner
Period in Ohio Baseball
History.

During the season of 1907 Ohio has been particularly well represented in the national game. Teams representing Buckeye cities have brought the flag of their respective leagues to the Buckeye state in a surprising variety and class of leagues, which proves the states prowess on the diamond.

Of the higher class leagues Columbus won the pennant in the American association, Youngstown in the Ohio and Pennsylvania, Springfield in the Central and Steubenville in the P. O. M. The record of Ohio would be a clean one for supremacy had Cleveland in the American and Cincinnati in the National been as effective with the entries in their class.

When it comes to winning pennants Ohio can claim the present season as a record breaker in organized baseball, which news should be of great pleasure to every fan in the state. This state has also given to the game some of the best material that has ever been known, both in point of fielding and hitting.

**SKATING RINK
OPENS FOR SEASON**

Very Large Crowd was Present Last Evening.

Management Announces That the "Royal" will be Open Three Nights Each Week.

The Royal Roller rink opened its doors to the public last night after having been closed for the summer. One of the largest crowds that have ever assembled in this popular place of amusement was present to celebrate the grand opening. Byers orchestra, which furnished music last year, again occupied the band stand and rendered an excellent program during the evening.

Managers Cassidy and Smucker had spared neither trouble or expense in putting everything in first class condition for the occasion last night. The floor was in ideal condition, the lighting was superb and above all and best of all the skates ran like the new ones, each pair having been completely overhauled and repaired.

The particular feature of the evening's program was the grand march which took place at 9 o'clock. About one hundred couple participated in the complicated affair and it was thoroughly enjoyed by all. It was led by Mr. W. L. Cassidy and Miss Mary Herman; Mr. Charles Weaver and Miss Riley.

During an intermission between skates, Manager Cassidy announced that the "Royal" would be open each week on Tuesday, Friday and Saturday nights. It will open at 7 o'clock and close at 10.

"Butter" Runyon not Crazy Over
His New Job on the Briney
Deep.

R. M. Dyer, a machinist on board the U. S. battleship Rhode Island, is in Marion visiting relatives. He expects to remain in the city about a week.

"I have been in the service about a year and am well pleased with the treatment given me by Uncle Sam," says Dyer. "The machinists get good wages and the work is not any too hard."

Mr. Dyer, who is a former Marion boy, enlisted at Davenport, Iowa. He says that a short time ago in Boston he met Ross Runyan, a Marion man who recently enlisted in the marine service.

"Runyan isn't crazy about his new job," Dyer says.
